Chapter I :Dreams of childhood

The Start of My College Journey

My Dream List

When I was 8 : A Scientist

When I was 11 : An Esports Player

When I was 14 : A Poet

When I was 18 : A Mathematician

"It took me four years to paint like Raphael, but a lifetime to paint like a child." — Pablo Picasso

Chapter II :The Confluence of Mathematics and Poetry

My Poetry

天桥

正 幽
我 会
在一座长长的天桥上与黄昏
一万辆车驶过不能撞向我

观海

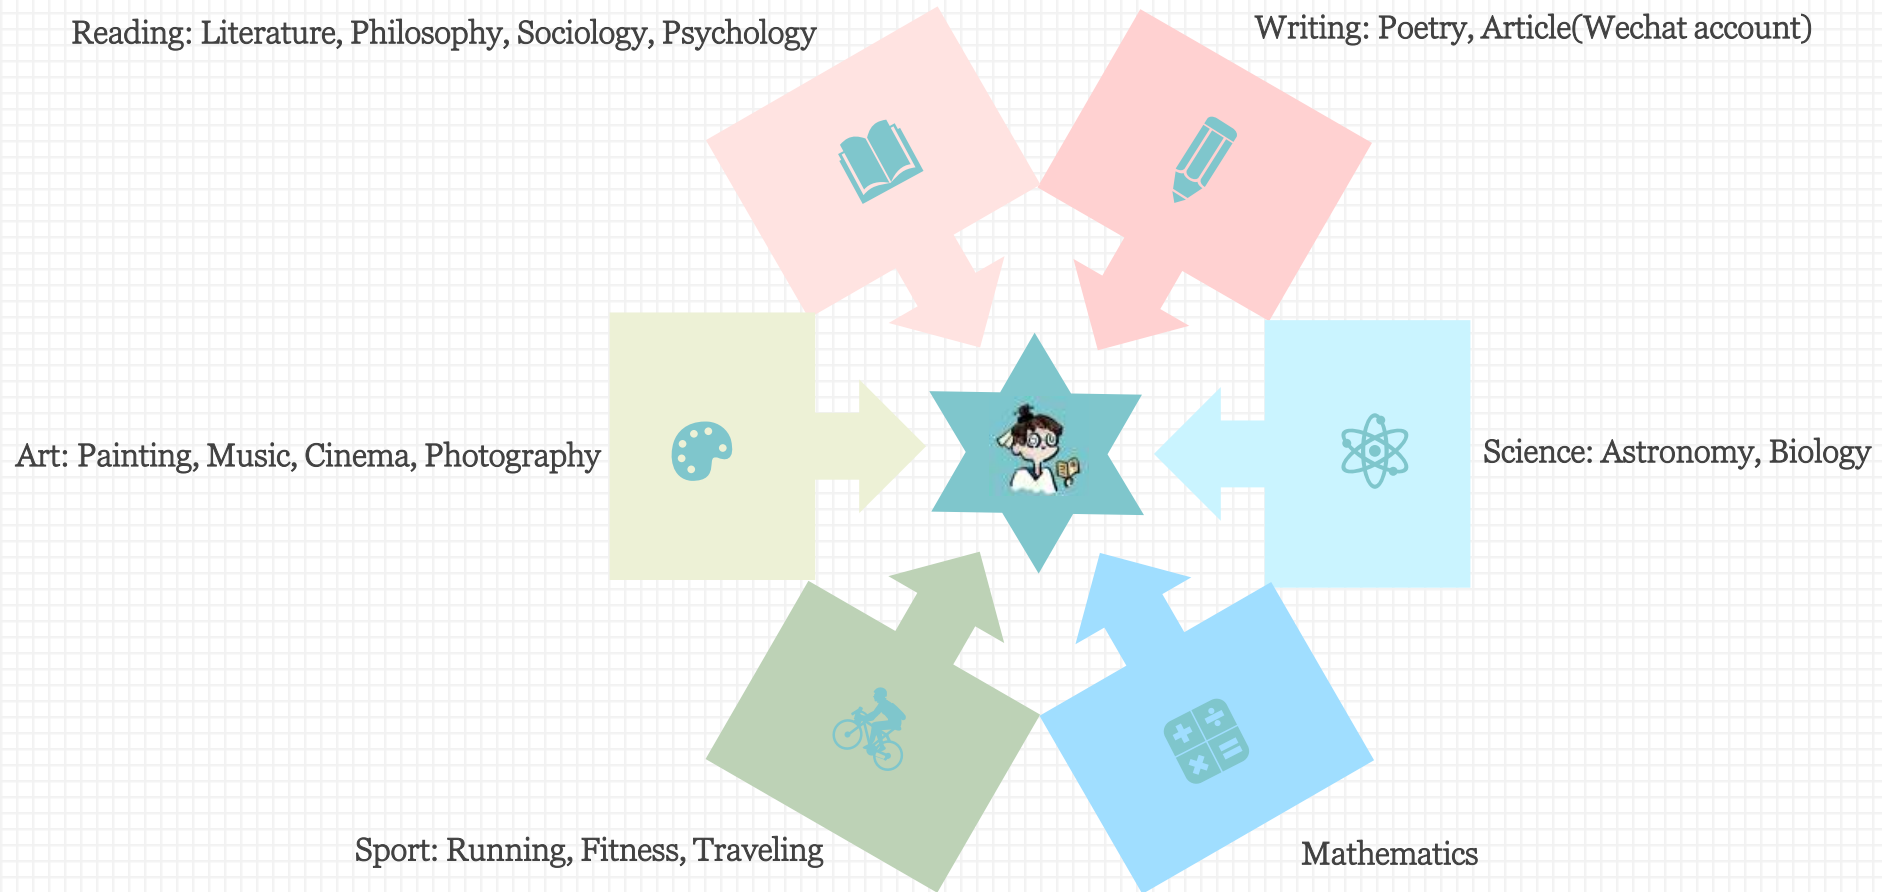

你 在 浅 浅
湿 光 的 心 我
漉 月 沾 海 里
漉 的 眼 海

在你湿漉漉的眼海里
我浅浅的心沾满月光

"A mathematician who is not also something of a poet will never be a complete mathematician." — Karl Weierstrass

My Interests

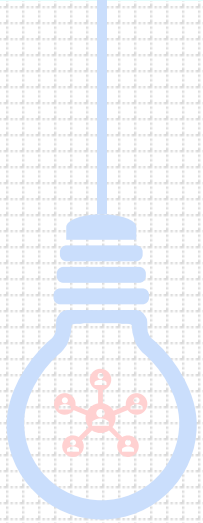

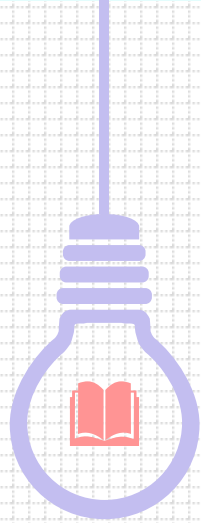

Chapter III:A Year of Exploration

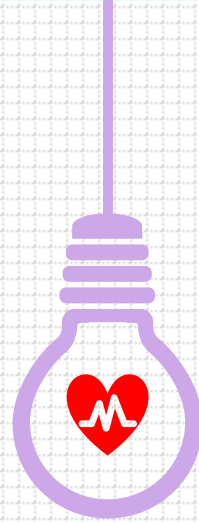

Five Most Important Things In My Life

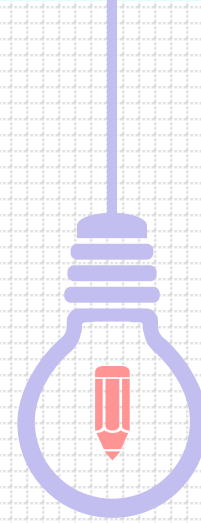

Relationship

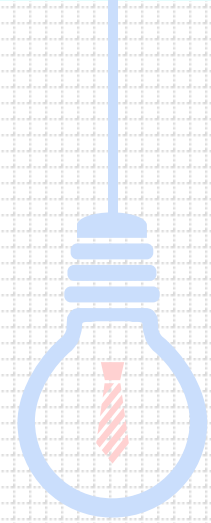

Input

Health

Output

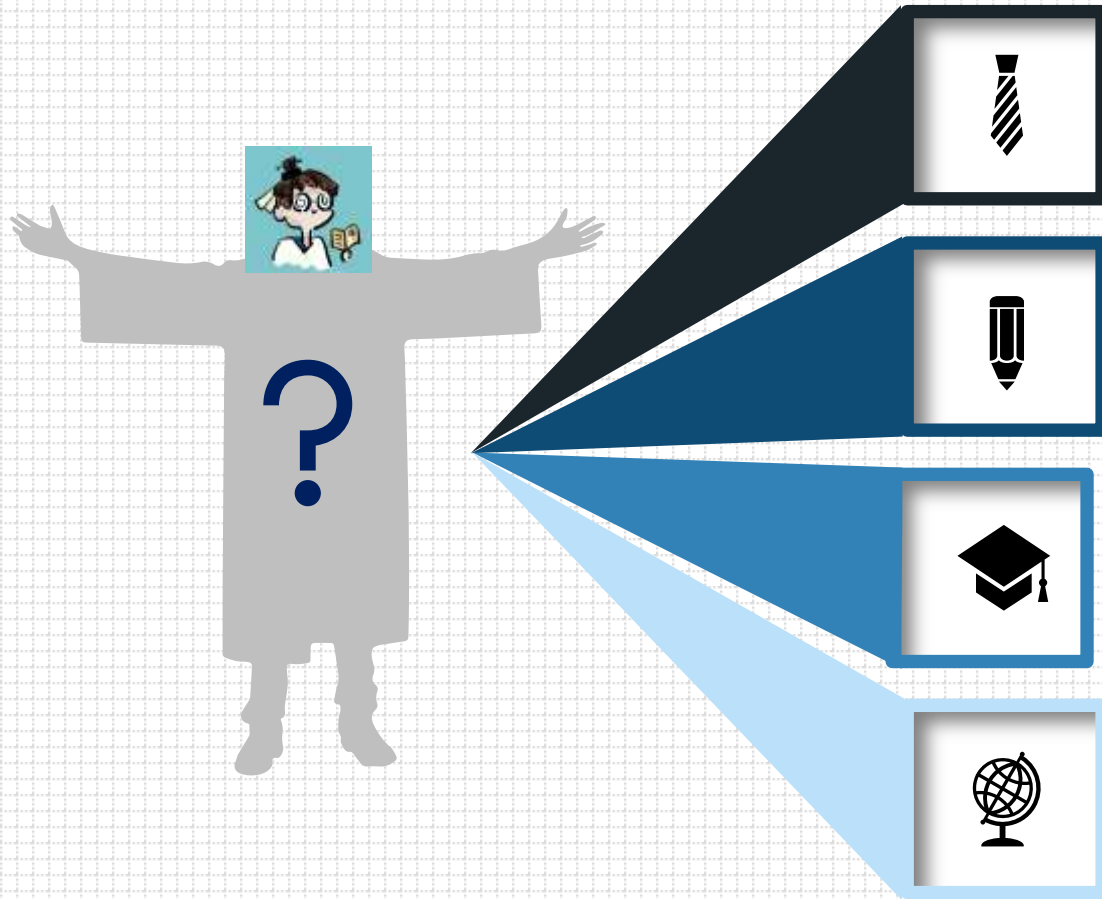

Career

"He who has a why to live can bear almost any how." — Friedrich Nietzsche

My Potential Careers

Perhaps an entrepreneur

Perhaps a content creator

Perhaps a researcher, focusing on sociology, psychology, and AI

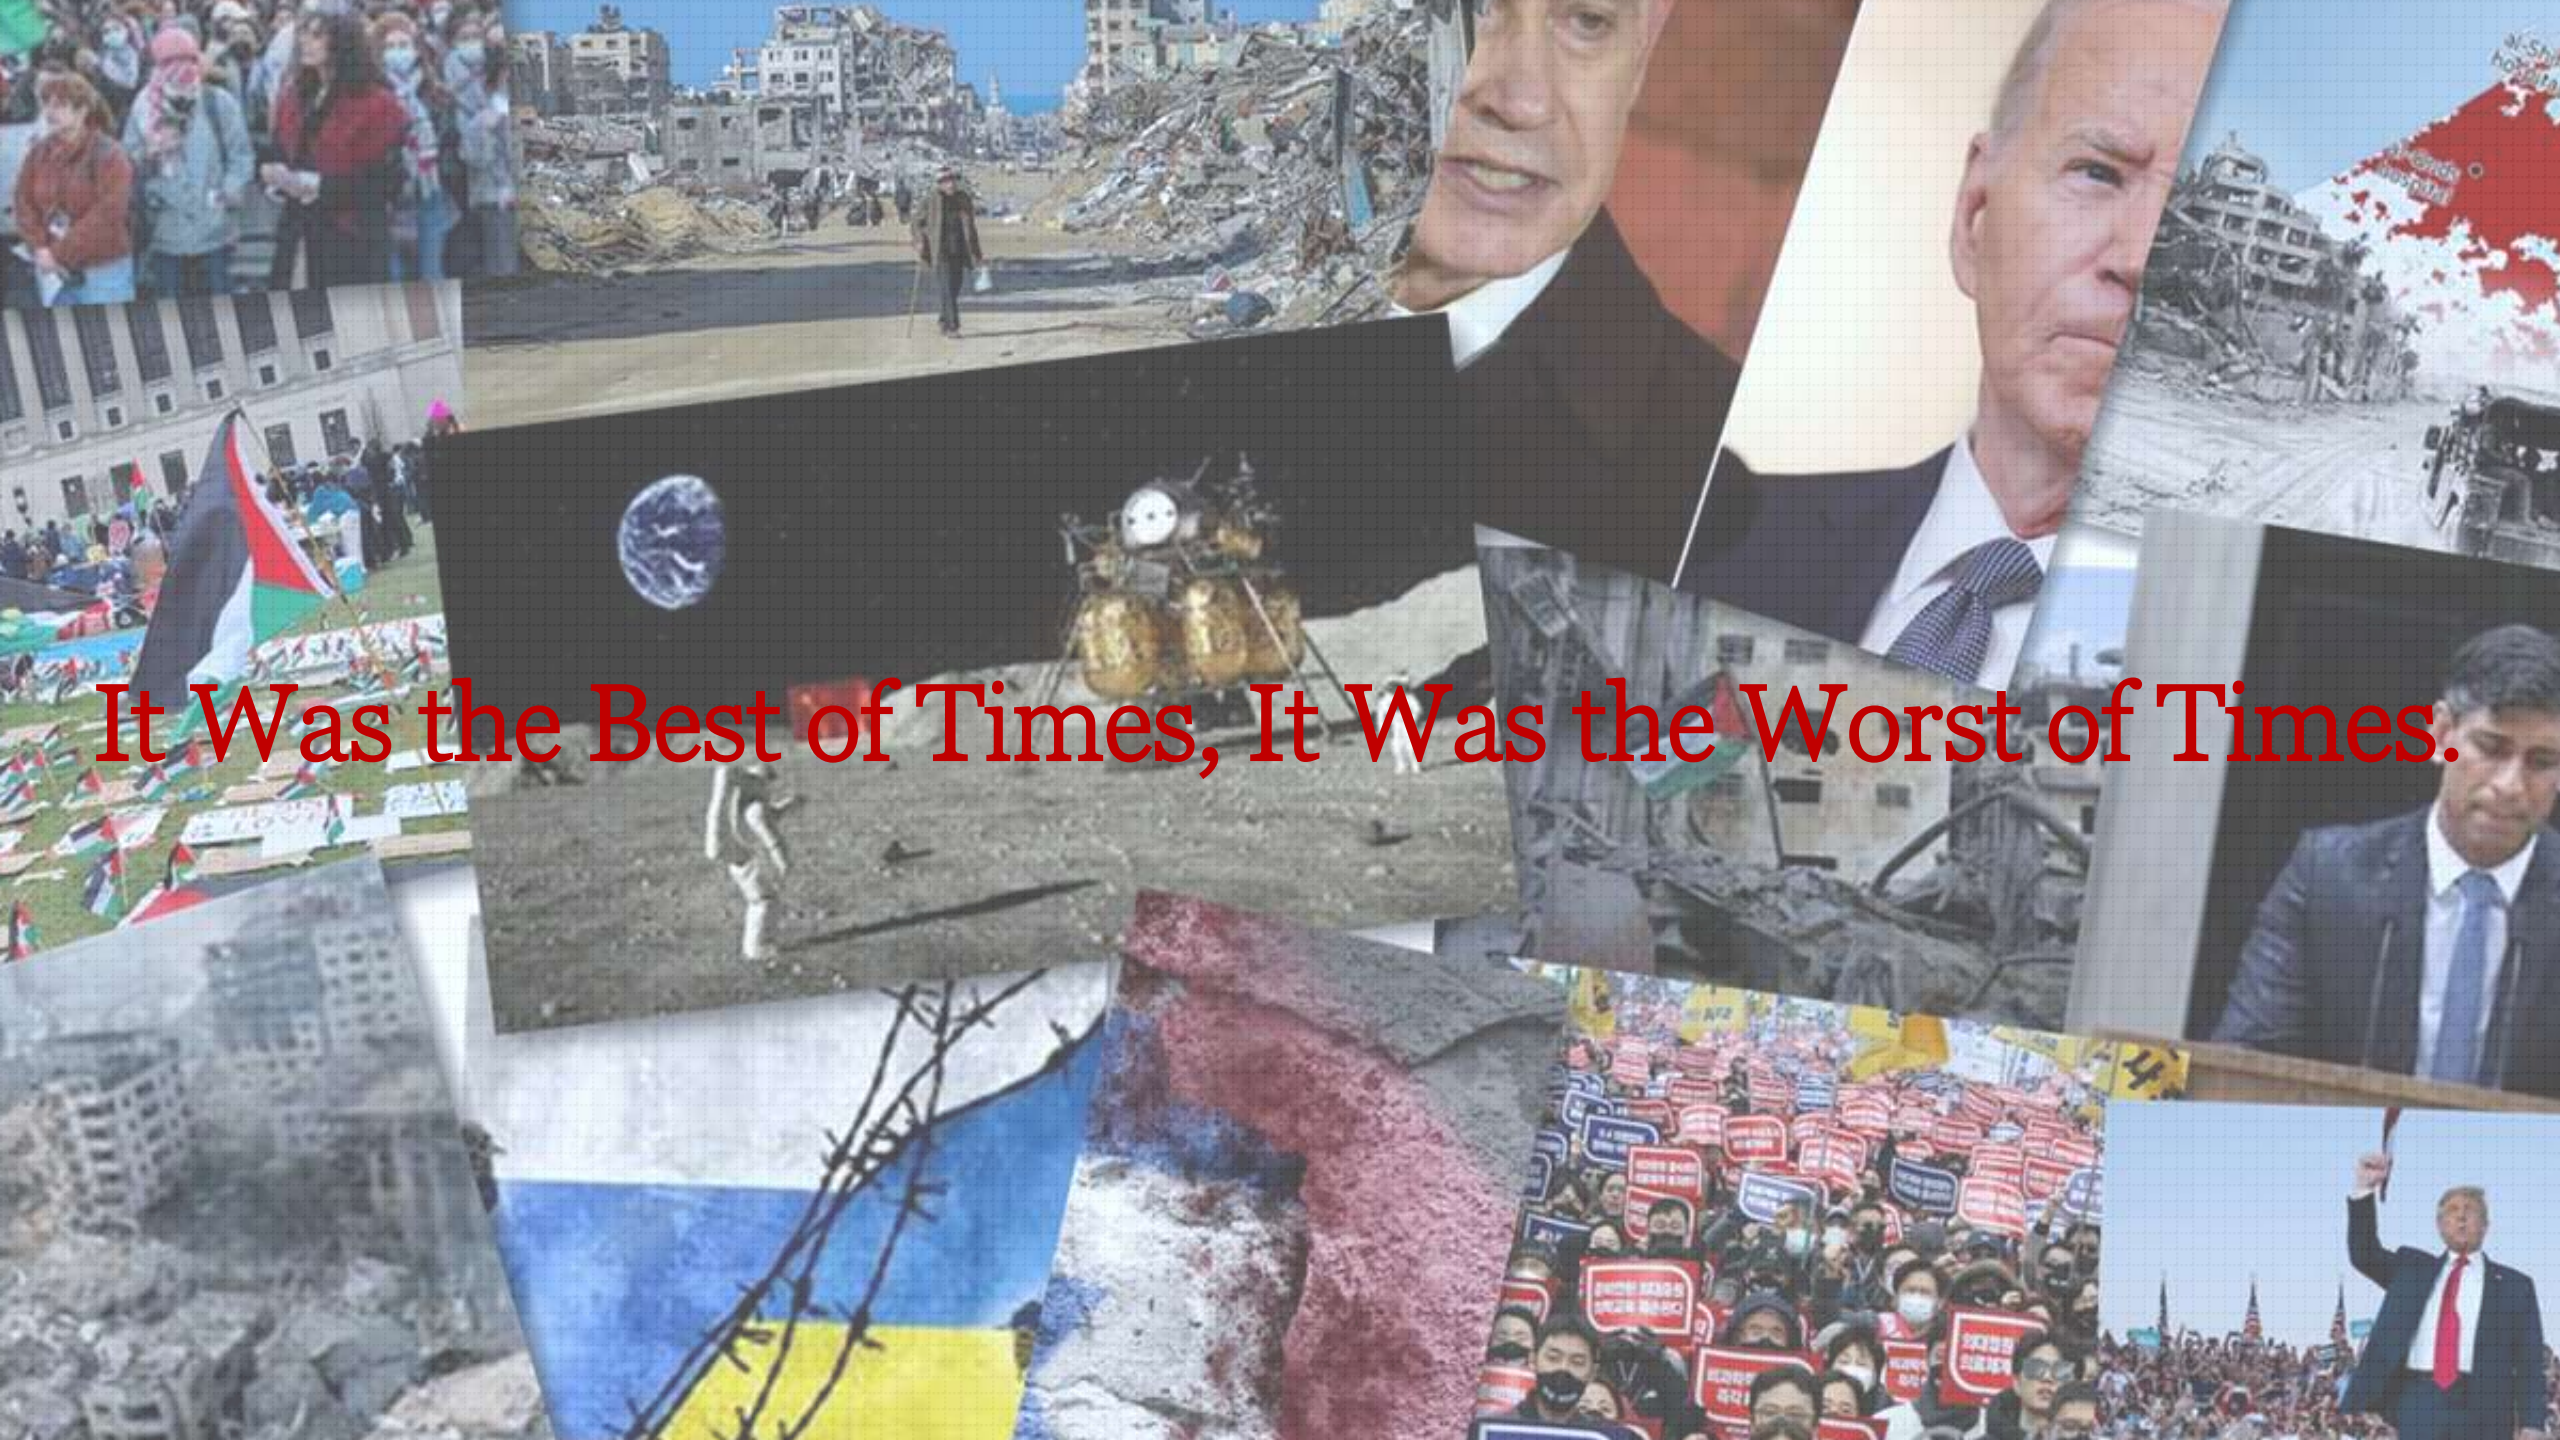

Perhaps a traveler, a singer, a poet, a bartender

Chapter IV: Under the Starry Sky

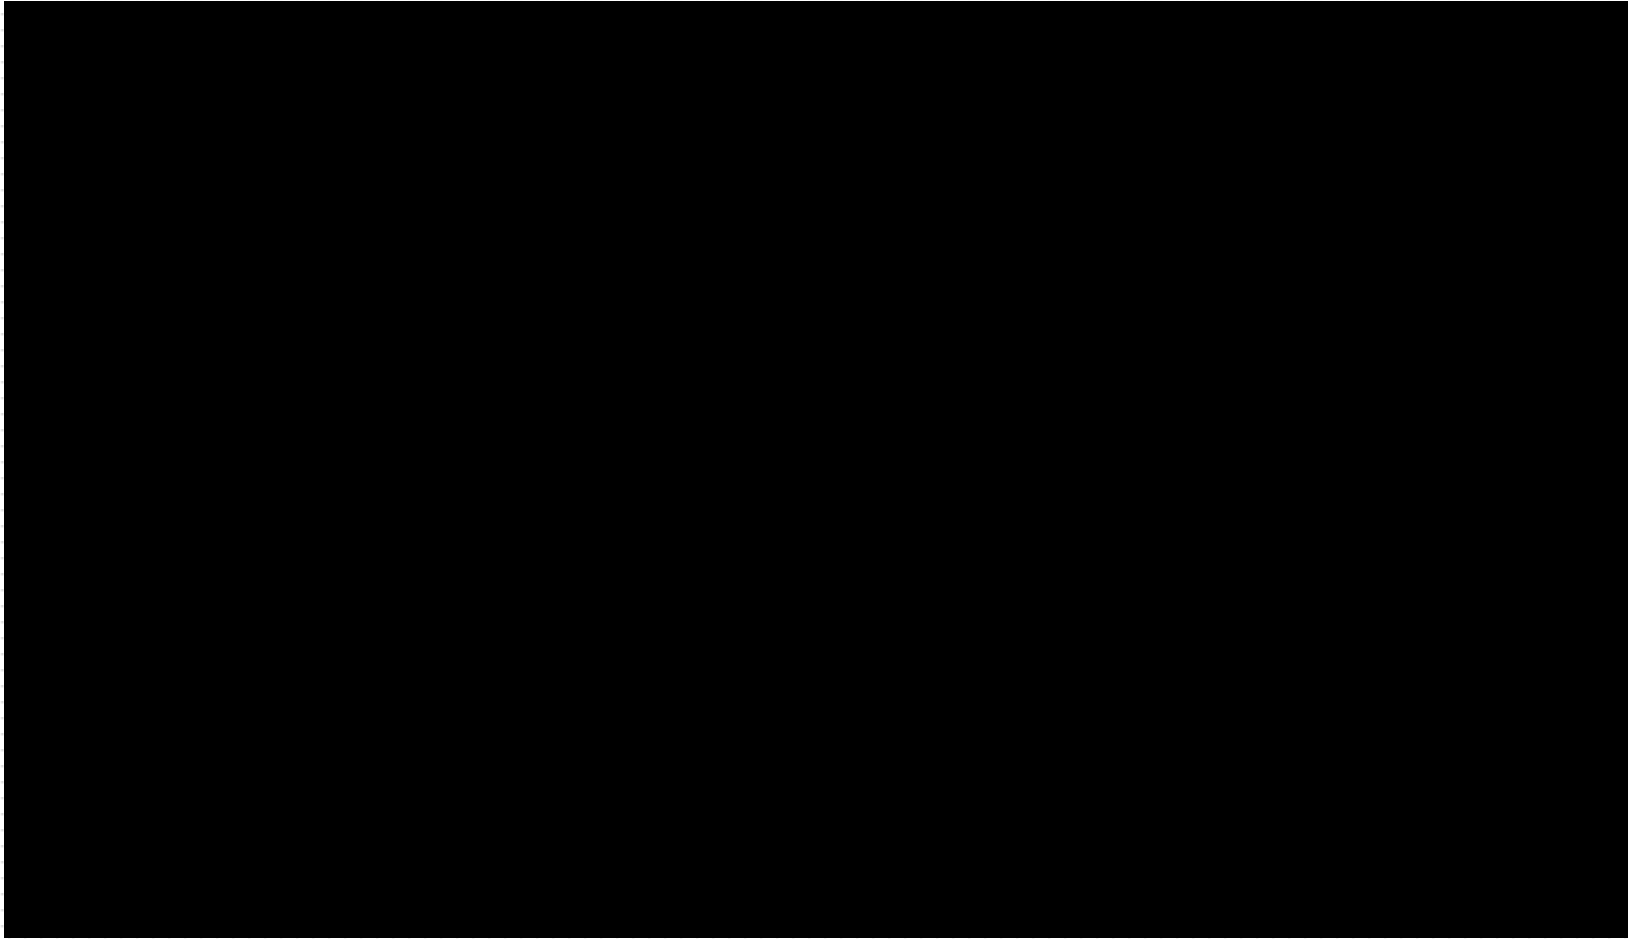

It Was the Best of Times, It Was the Worst of Times.

Where Do we come from? What Are We? Where Are We Going?

We are Both Young until We are Not
